MESSAGE FROM THE PRESIDENT...

Bonnie Householder

Heartfelt thanks to Darrell Davidson for his term as President of Jekyll Island Arts Association. He has made several decisions which will continue, such as an Executive Committee comprised of all elected officers, who have the authority to meet between Board Meetings if there is something pressing, as well as several By Laws revisions which make JIAA more streamlined, as just two examples. (By Laws are available on the website.) He taught a class in the fall on Computers to a group of five members who feel much more comfortable with their electronic devices after the class! And in his role as Immediate Past President, he remains on the Board as a key resource for everyone.

Thanks, too, for your service to Board of Directors members who left the Board during or at the end of 2015 - Bonnie Newell, Glenn Fountain, Beth Walters and Darrell Davidson. Three of last year's Board members were re-elected for three year terms with two new Board members at the Annual Meeting in December. Two more Board members were elected to fill unexpired terms. These are your newly elected Board members:

Susie Corbett*
Luanna Dickey
Zay Foster
Vera Locasio

Craig Patterson*
Joan Samuelson*
Hank Wysocki

*Denotes Board members re-elected

At the January Jekyll Island Arts Association Board of Directors meeting, the following 2016 Officers were elected:

President	Bonnie Householder
Vice President	Susie Corbett
Secretary	Sonja Peterson
Treasurer	Mary Stock

Thank you to all of our volunteers...Officers, Board Members, Committee Chairs, and our volunteers. This is an all volunteer organization and we appreciate all that YOU do to help JIAA be the outstanding organization it is. We could not survive without each of you.

January and February will be full of classes, and Susie Corbett is working on programs for all members to attend. March will begin with the Arts Festival, which will be in need of more volunteers, so there is a great deal happening this first quarter of 2016. Hope each of you can find things of interest to you.

JIAA ARTS FESTIVAL March 11-13, 2016

Festival Planning is under way and we hope you will share in the excitement. Last year was the first year for festival T-shirts. There were many of us who were disappointed that they sold out before we had an opportunity to purchase one.

This year's shirt features a painting by Ben Foster. And, we are determined not to sell out before JIAA members have the opportunity to purchase one! You may pre-order and pre-pay for T-shirts at the special price of \$15.00 including tax. This bargain will end on March 1, so get your orders and payment in soon. The festival price will be \$18 plus tax. Check them out!

Website Calendar Page

The Calendar page on our website has, after a period of neglect, been revived and arrangements have been made to maintain it. In addition to keeping the membership informed, the Calendar should be a regular point of reference for avoiding conflicts in scheduling Association events and activities. Thus, an effort will be made to include community events that are made known to us.

In scheduling events or activities involving Goodyear Cottage, it is important to check the Classes schedule in addition to the Calendar. The Classes schedule can be viewed via the Classes page on our website and will not be duplicated on the Calendar.

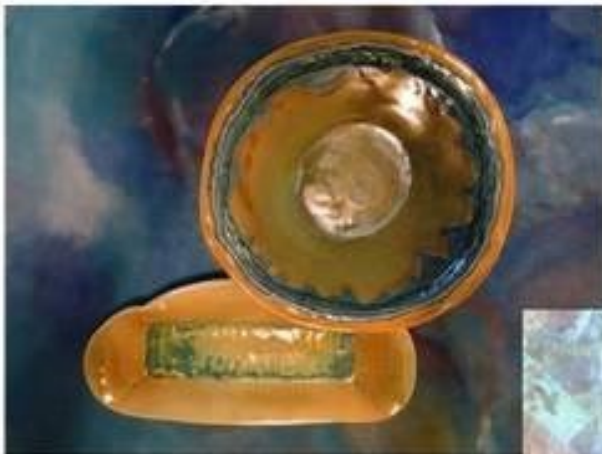

Members or nonmembers wishing an event posted on the Calendar are invited to send the particulars as to date, time, place and point of contact via email to jekyllartists@gmail.com.
